

What is claimed is:

1. A sprayer wand holster comprising:
  - a main body with an upper portion and a lower portion;
  - means for securing said body to a sprayer tank;
  - means for holding a nozzle of a spray wand disposed at the lower portion of said body; and
  - means for clipping said spray wand to the upper portion of said body.
2. The sprayer wand holster of Claim 1 wherein said main body is shaped to conform to the body of said sprayer tank.
3. The sprayer wand holster of Claim 1 wherein said main body is made of flexible plastic material so that under tension said body may conform to the body of said sprayer tank.
4. The sprayer wand holster of Claim 1 wherein said holster further comprises a means for holding a sprayer wand horizontal.
5. A sprayer with a spray hose with a spray wand/nozzle and a spray tank and where the improvement comprises a holster comprising a main body; means for securing said main body to said spray tank; means for holding said nozzle and means for clipping the spray wand and securing said wand to said holster.

6. The sprayer of Claim 5 wherein said main body is shaped to conform to the body of said sprayer tank.
7. The sprayer of Claim 5 wherein said main body is made of flexible plastic material so that under tension said body may conform to the body of said sprayer tank.
8. The sprayer of Claim 5 wherein said holster further comprises a means for holding a sprayer wand horizontal.
